Re: November 7, 2017 UAS-NY Upgrade

The purpose of this memorandum is to inform you of the upcoming release of the UAS-NY software to version 1.3a (v.1.3a) that will be implemented on November 7, 2017.

In addition to the Online Upgrades related to release v.1.3a, we will also be releasing v.1.3a of the Offline Client. This is a **required upgrade** for all Offline Client users. Complete instructions for upgrading the UAS-NY Offline Application will be available in the UAS-NY Training Environment Reference and Resources 8500 Online and Offline Application by no later than close of business November 3, 2017.

The UAS-NY now houses multiple assessment instruments across multiple domains, therefore, release notes specific to each domain will be forth coming.

If you have any questions or need additional information, please contact the UAS-NY Support Desk at 518-408-1021 or via email at uasny@health.ny.gov.
