FIDA Update

Future of FIDA Planning

- Feedback on revised Three-Way Contract requested during January 20th FIDA call
- There will be two phases of the stakeholder planning process:
 1. Plan discussion of recommended policy changes moving forward, limited to FIDA plans and some limited other stakeholders
 - To be scheduled in the next couple weeks
 2. Public discussion about the future of integrated care for New York
 - To begin later in the winter and will include regularly scheduled planning meetings

FIDA Update

Region 2 Expansion

- Region 2 (Suffolk and Westchester counties) will be opening for voluntary enrollment and plans will be approved on a rolling basis (as their networks are found to pass the network evaluations)
- DOH has completed calls with the FIDA plans to provide technical assistance on their Suffolk and Westchester networks
- One FIDA plan in final approval phase to begin opt-in enrollment in both counties in February
- Other plans will begin operating in Region 2 on a rolling or phased-in basis, contingent on final network review, via opt-in enrollment

CFCO Update

- A joint MLTC-Mainstream CFCO Workgroup Meeting was held January 5th
- Four sub-workgroups were identified to focus on the following:
 - 1) **Provider Management** – Issues related to credentialing, contracting, encounters, codes, network management, claims, reporting and provider rates
 - 2) **Benefit Management** – Issues related to benefits management, rollout, training, service authorization criteria, communications, service limits, plan uniformity, and member education
 - 3) **Clinical Management** – Issues related to the Person Centered Service Plan (PCSP), risk assessment/management, reporting and eligibility
 - 4) **PACE** – Issues related to implementing CFCO unique to PACE plans

CFCO Update

- Recognizing that there may be some overlap, it was also decided to form a **Steering Committee** to coordinate the work of the groups and resolve overarching issues
- The goal is to include representation of each plan type while keeping the group sizes manageable
