Adult Care Facility Quarterly Statistical Information Report and Roster of Adult Home Residents Data Entry Instructions

PLEASE READ THROUGH ALL OF THE DIRECTIONS BEFORE STARTING THE SURVEY. DOING SO WILL HELP AVOID ANY CONFUSION WHILE ENTERING DATA.

Overview:

The Adult Care Facility (ACF) Quarterly Statistical Information Report captures data regarding facility, occupancy and resident characteristics. The primary purpose of the quarterly report is to ensure that the Department has accurate emergency contact information and to track information regarding adult home residents.

Please be aware of the session time limit for data entry. If the session times out before the fields are successfully saved, or if “Preview Data to Be Submitted” is selected before successfully saving data, all data entered during that session will be lost.

The Third ACF Quarterly Statistical Information Report for 2014, encompassing the time frame from July 1 through September 30, 2014 must be completed and submitted by **October 31, 2014**. Please Refer to **Attachment 2** for definitions of terms used in the report.

Organization” (e.g., ACF and LHCSA), first verify that the correct organization is selected. If a blank report is needed to collect data, select “Blank Form PDF” directly under the “Save All” and “Reset” buttons at the top of the report form.

Step 9: Click the “Show Facility Details” link at the top of the data entry form and review the facility name, address, county, region and contact numbers. If correct, skip to Question # 12. If incorrect, please indicate changes in the appropriate boxes (# 4 - # 11).

Step 10: Complete Questions # 12 - # 38. The Administrator must review the completed report prior to submission. The Attestation Statement is then completed by typing the Administrator’s name and inserting the review/submission date.
