RE: 2012 Personal Care Cost Report Software

Dear Administrator:

In accordance with Section 505.14 of Title 18 NYCRR, all personal care services agencies that have contracts with a local social services department for the provision of personal care services to Medicaid recipients are required to complete and file annual financial and statistical reports as the Department of Health may require on forms provided by the Department.

This report will be used to report your actual 2012 costs and statistics and may be used for the promulgation of Personal Care Services Medicaid Rates for the year 2014. If you are a new provider who opened during 2012 or 2013, and therefore do not have actual 2012 costs and statistics for the entire year, you will need to report your budgeted costs and estimated statistics for 2014. **All other agencies that were in operation prior to January 1, 2012 must submit a properly certified report with actual costs and statistics for 2012.**

The 2012 Personal Care Provider Cost Report (PCPCR11) must be filed with the Department **no later than September 15, 2013**. The Bureau must also receive both the operator's certification and the accountant's opinion no later than **September 30, 2013**. Effective in 2004, the regulations governing the submission of personal care Cost Reports were amended to institute a penalty for agencies that fail to comply with the annual Cost Report requirements in Title 18 NYCRR Section 505.14(h)(7). Specifically, Section 505.14(h)(7)(i)(a)(6) has been added to require that a 2% penalty be applied to the current rate if an agency fails to file the required cost report on or before the due date. The regulations require such penalty to be applied effective the first of the month following the due date and continuing until the end of the month of cost report submission. The regulations also state that failure to timely file the required certifications (within two weeks of report submission) shall render a Cost Report incomplete and invoke the 2% penalty for failure to file.

Health Commerce System (HCS) Address

The 2012 Personal Care Agency (PCA) Cost Report software is now available on the Department's Internet-based HCS (formerly HPN). This may now be accessed at <https://commerce.health.state.ny.us> by the appropriate individuals at your agency with user accounts. Once you have reached this site the new Health Commerce System (HCS) portal is now available by choosing "HCS Portal" for more personalized user access to specific applications, including the PCA cost report application. Note the search engine available on the

left - type "orientation guide" for a link to information designed to help you familiarize yourself with the new HCS portal features that will allow users more direct access to their specific applications. Users with access to the PCA Cost Report application should find that application in their personalized list of "my applications" on the left; select PCA cost report and then scroll down to access the 2012 PCA Cost Report software for download.

Accountant and Operator Electronic Certifications

In an effort to expedite the submission and processing of Cost Reports, the Department will continue to utilize an electronic signature process for the submission of the CPA and Operator certifications. Two applications for this electronic signature process are now available through the new HCS portal as you scroll down under the PCA cost report page and access to both is required to successfully complete and submit the 2012 PCA Cost Report.

To certify the Cost Report electronically, the facility's CPA and the appropriate signatory of the agency, in accordance with Part 505.14(h)(7)(i)(a)(9), must each have an HCS account. The agency's HCS Coordinator can provide access to the appropriate individuals for each application. If there is a new agency signatory and this individual does not yet have an account, your coordinator should immediately begin the process of requesting the account(s) through the HCS system. If you have a new CPA signatory that does not have an existing account, providers are encouraged to establish the CPA account under your Personal Care organization. This will expedite the process of obtaining access to the CPA certification application.

For both certifications to be valid, a current "Electronic Certification Access Request Form" (attached) must be on file with the Department. If you submitted this form for the 2011 Cost Report and the same individuals will be providing the Operator and CPA certifications for 2012, a new form is not required.

However, if one or both of the certifiers has changed, you must submit a new form. Please complete the form in its entirety (including any elements that have not changed), scan and submit electronically (as an e-mail attachment) to the Bureau's PCA mail log: **BLTCR-PC@health.state.ny.us**. If you do not have scanning capability, the original signed hard copy must be mailed to:

Mr. Timothy Casey
New York State Department of Health
Bureau of Long Term Care Reimbursement
One Commerce Plaza-Room 1430
99 Washington Ave
Albany, NY 12210

This form should not be submitted until both the operator and CPA signatories have HCS accounts established. Upon receipt of the properly completed form, Bureau staff will grant the appropriate access to each of the electronic signature applications. The attached document, "Electronic Certification Access Instructions", provides detailed instructions for approved users to navigate and utilize the electronic certification applications.

Please be sure that the information on signatories in the "Configure" section of the cost report is an exact match with the Electronic Certification Access Request Form. Information from the "Configure" screen will automatically appear on the certifications.

The operator and CPA electronic certifications must be submitted no later than September 30, 2013. If an agency files multiple reports, certifications are only required for the report you deem to be the "final" report.

Filing the Report

Once your cost report passes all edits and is finalized, a Declaration Control Number (DCN) will appear on the computer screen and each page of the printed report. Any change in the cost report will cause the DCN to be erased and another DCN will not be generated until the report is finalized again. Please refer to the HELP section of the Cost Report software for information on how to create the Final Cost Report and the DCN Number.

The Department will be accepting reports when you receive this letter. When the report has been successfully uploaded and filed with the Department, the agency will receive an electronic acknowledgment indicating the report is accepted and confirming the DCN for the agency's report. This will happen each time that the agency files a report with a different DCN. Reports with the same DCN will be rejected after the first report is accepted.

If an agency files multiple reports, certifications are required only for the "final correct" report. If multiple certified reports are erroneously filed, the Department will deem the last report filed for the agency as the "final" report.

It is important to reiterate that a Cost Report is not deemed to be complete and properly filed, and thus eligible to be used by the Department to determine reimbursement rates, until the required electronic certifications from the CPA and Operator are submitted.

Help

To resolve any problems or questions regarding the electronic mail network please contact the **HELP line at 1-866-529-1890**.

To resolve any questions concerning HCS access, the electronic certification or form, or the completion and submission of the cost report please call Timothy Casey at (518) 474-1057.

Sincerely,

Robert J. Loftus
Director
Bureau of Long Term Care Reimbursement
Office of Health Insurance Programs

Electronic Certification Access Instructions

Personal Care

The Health Commerce System (HCS) is a secure internet Network which health providers will need to enroll in. Individuals that have an HCS account will also need to receive Access to the Electronic Certification function. If you have an HCS individual account and do not have access to the Electronic Certification function please complete the attached **Electronic Certification Access Request FORM** scan and submit to the Bureau of Long Term Care Reimbursement mail log at **PCA - BLTCR-PC@health.state.ny.us**. Once your request has been processed a notice of access will be delivered to your e-mail address listed on your HCS account.

IF YOU DO NOT HAVE AN INDIVIDUAL ACCOUNT, PLEASE CONTACT YOUR HCS COORDINATOR TO FORWARD THE PROPER DOCUMENTS ALREADY ESTABLISHED ON HCS UNDER THE COORDINATORS TAB ON THE MAIN HPN SCREEN. IF YOU HAVE QUESTIONS ON SUBMISSION OF THE INDIVIDUAL USER FORMS PLEASE CONTACT the HCS HELPLINE AT (866) 529-1890

Upon successful establishment of HCS accounts and appropriate access, the proper report year certification signatories can proceed to the HCS site as follows:

1. Website – <https://commerce.health.state.ny.us>.
2. HCS Network Screen – select “HCS Portal”
3. My Applications Menu – select PC Provider Cost Rpt.
4. PCA Cost Report Page- Select the Appropriate certification.
 - a. If you do not have access to the certification link, you have not been given permission by the BLTCR and should request it by completing the attached form
 - b. **Please keep in mind that only one CPA and Operator can be active at anyone period in time. If a new Certifier has to be appointed, a new form must be sent in and certification access associated with the prior HCS Id will be terminated.**
5. Operators
 - a. Operators Certification page - Please select the agency you are certifying for. If you have multiple facility access, they will all appear in the drop down.
 - b. Agency Specific Page – Please select the DCN you would like to certify. If you have multiple DCN’s they will appear in the drop down. Please be sure to select the correct DCN.
 - c. Operator Certification Page – Please read and review your certification and make sure all of the information is complete and accurate. Then press the certify button.
 - i. A confirmation of your certification will appear with the date and time. If you wish to log back into that DCN and print a copy please do so. However once a DCN is certified it will not be able to be uncertified.
6. Certified Public Accountants.
 - a. CPA certification Page - Please select the agency you are certifying for. If you have multiple facility access, they will appear in the drop down.

- i. Facility Specific Page – Please select the DCN you would like to certify. If you have multiple DCN’s they will appear in the drop down. Please be sure to select the correct DCN
- ii. Please select the Type of report that you are certifying to. The five options as presented on this screen have been negotiated with the accounting industry as represented by the New York State Society of CPA’s. The five options are detailed in the following statements
 - 1) The “Standard Certification” as agreed upon and reflected in the 2006
 - 2) The “Standard Certification with Explanatory Para.” which includes an additional paragraph directing the reader to an “accountant's Notepad”. (The "accountant's notepad" will be restricted to the use of the certifying CPA)
 - 3) The “Standard Certification Consolidated” applicable to an agency that requires consolidated reporting.
 - 4) The “Standard Certification Consolidated With Explanatory Para. “Applicable to an agency that requires consolidated reporting and includes an additional paragraph directing the reader to an "accountant's notepad”.
 - 5) The “Standard Governmental” form that may be utilized for a government - sponsored PCA, in those situations where the overall county audit is performed by a different CPA firm than the firm opining on the cost report.
- b. CPA Certification Page – Please read and review your certification and make sure all of the information complete and accurate. Then press the certify button.
 - i. A confirmation of your certification will appear with the date and time. If you wish to log back into that DCN and print a copy please do so. However once a DCN certified will not be able to be uncertified.

OVERALL GENERAL INSTRUCTIONS

1. Once a DCN is certified this can’t be undone; please be sure you have selected the correct DCN prior to Certifying.
2. If the agency and/or CPA certify multiple DCN’s, the most recent DCN will be considered the correct submission and will be used for Rate Setting Purposes.
3. It should be noted that unless a cost report is certified by both the CPA and the Operator, the Department will have no indication that it was submitted and it will be considered rejected by the Department. If a certified cost report is not submitted by the required deadline (September 15, 2013), the agency will be subject to penalties in accordance with Part 86-1.3(c) and section 12-d of the Public Health Law and the agency will not receive a 2014 Medicaid rate.
4. Ensuring that the appropriate signatories have HCS Ids and passwords and that they are used in accordance with HCS security and use agreement is the **responsibility of the facility administration and HCS coordinator.**
