Presbyterian Homes & Services Appoints Keith Roach New Board Member

NEW HARTFORD, NY – [Presbyterian Homes & Services, Inc.](http://www.presbyterianhomes.com) has appointed Keith Roach as it's newest Parent Board member. Mr. Roach was recently named Director of Environmental Safety and Emergency Preparedness at Faxton St. Luke's Healthcare, where he is responsible for a safe, functional environment and coordination of the Emergency Preparedness Program.

Roach has been an employee of Faxton St. Luke's Healthcare since 1995, most recently as Director of Clinical Engineering and telecommunications for the organization, having served previously as Director of Telecommunications for Mohawk Valley Health System. He brings to the Board 26 years of experience in the Electrical Engineering Technology field, customer service, operations, testing and quality improvement.

"Keith is a passionate leader who believes in positive cultural transformation, team building, and sound fiscal management," said Michael Sweeney, Chief Executive Officer of Presbyterian Homes & Services. "We are thrilled to have him join us in serving our community."

Roach, married with three children, is a resident of Ilion, NY. He serves as a Session Elder for the Little Falls Presbyterian Church.

The Presbyterian Homes & Services' family of services includes the Presbyterian Home for Central New York, Presbyterian Residential Community, Presbyterian Homes Foundation, The Meadows at Middle Settlement, and [Preswick Glen independent senior living community](http://www.presbyterianhomes.com). Presbyterian Homes & Services excels in providing health care, housing and community services while promoting individual wellness and independence in a dignified manner.
