State Plan Amendment (SPA) For Health Home Development

- SPA submitted to CMS on September 30, 2014
- Consistent with original Waiver Amendment, Health Home Development Funds would support:
 - Member Engagement and Health Home Promotion
 - Workforce Training and Retraining
 - HIT Implementation – Clinical Connectivity
 - Joint Governance Technical Assistance and Implementation Funds
- Health Home Development Funds will be distributed through a rate add on; methodology and guidance to be developed.

Medicaid Analytic Performance Portal

- The Medicaid Analytics Performance Portal (MAPP) is a performance management system that will provide tools to the Health Home network to support providing care management for the Health Home population.
- Health Home Tracking System functions will be incorporated into MAPP and access expanded to CMAs in February 2015. Future phases will include performance management tools and a care management record.
- Ongoing Health Home stakeholder input solicited via surveys to Health Homes, MCOs and CMAs.
- MAPP will also support the Delivery System Reform Incentive Payment (DSRIP) program performance and population management technology needs.

MAPP Health Homes Portal Schedule

MAPP HH Portal Project Scope – Phase 1

- Replace existing Member assignment and tracking system and its associated functionality
 - Assigning eligible individuals to Health Homes
 - Referrals of potential members
 - Billing Support
- Provide more timely access to data from Medicaid Data Warehouse
- Enhanced user access to include Care Management Agencies
- Dashboard / Analytics capabilities
- Design for interoperability (Phase II interoperability with SHIN-NY, etc.)

MCP Upcoming MAPP Activities

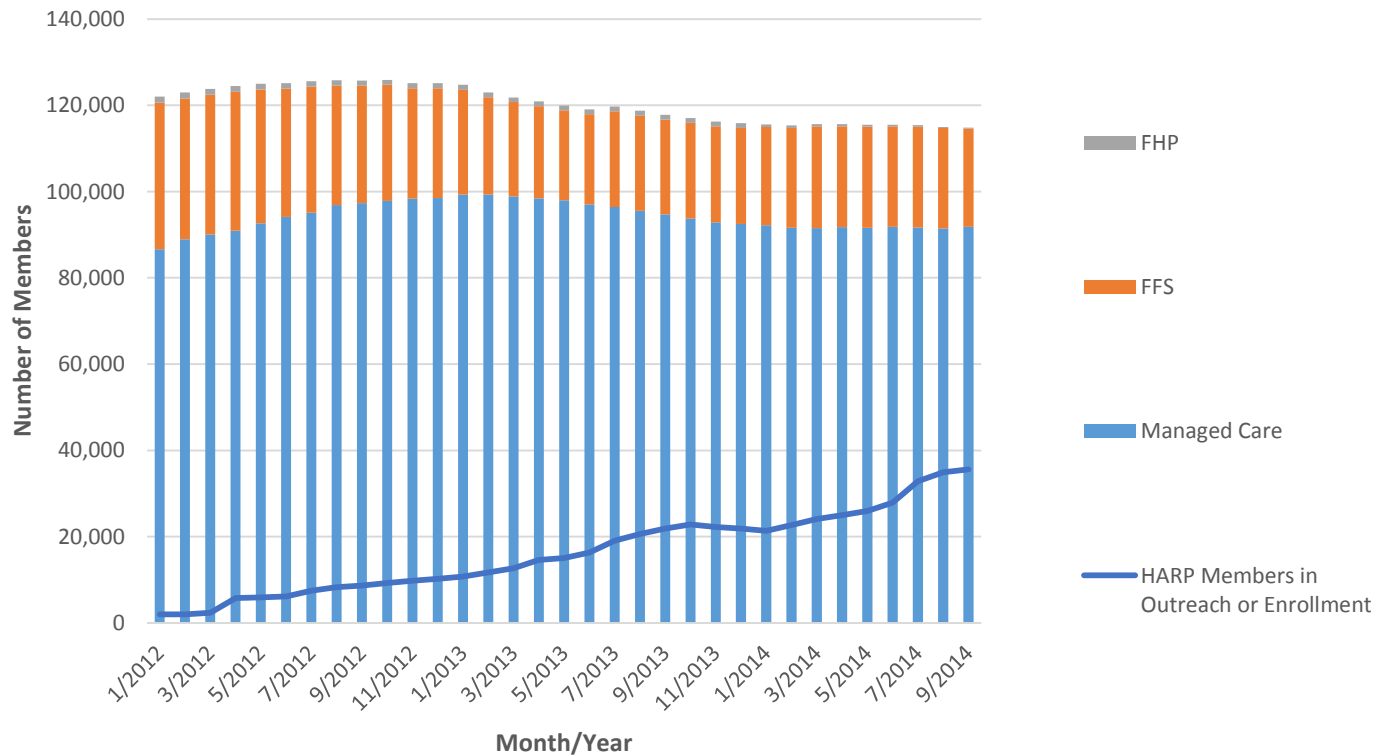

- Establishing Organization Readiness
- User Account Management via DOH Health Commerce System
- End User Training in February 2015 (With Plans and HHs)
- Participation in User Acceptance Testing – Feb 2015
- Participate in Bi-Weekly Health Home Webinars

HARP Population in Health Home

- Calendar Year 2012 HARP members were included in Health Home assignment files in May 2014.
- A Y/N indicator was added to the assignment file format so that MCPs and HHs could prioritize assignment of HARP members.
