

Behavioral Health Transition to Managed Care Update

August 13, 2015

Status of Federal Approval

- NYS received 1115 waiver authority to incorporate Behavioral Health services into Managed Care.

Department
of Health

Office of
Mental Health

Office of Alcoholism and
Substance Abuse Services

Provider Claims Testing

- Received claims testing plans from MCOs.
- State to survey Plans and Providers to identify any claims related problems within the next two weeks.

Plan Certificate of Authority

- DOH is currently reviewing the MCO corrective action Statement of Agreement submissions and are in the process of drafting the HARP Certificate of Authority
- State to distribute Behavioral Health ongoing monitoring requirements.

Member Letters

- DOH approved the general announcement letter from Plans
- Plans should be distributing the letters to their members
- Update on Maximus distribution of enrollment notices.

Rest of State Request for Qualification

- Voluntary Applicant's Conference schedule for August 28th 2:30-4:30
 - Plans that have not been through the RFQ process are encouraged to register.
- Applicants (Managed Care Plans) must preregister by 8/21/2015 to Theresa Rosebeck (Theresa.Rosebeck@omh.ny.gov).
- Plans may bring up to three representatives.
