Community Solar Talking Points

- LeadingAge of New York & the Energy Alliance have worked together to create value for the Leading Age membership for over 20 years.
- LeadingAge of New York is excited to provide your facility with a convenient way to “go solar”.
- Our Energy Alliance program is providing you with an opportunity to save money – guaranteed.
- Support 100% renewable energy for New York State.
- There are many benefits, and **no** drawbacks --- this is a fact.
- No rooftop installation, no maintenance, no enrollment fees required.
- Earn solar bill credits that significantly reduce electric charges.
