

COMMUNITY WELLNESS PARTNERS  
— Making life about you —

**FOR IMMEDIATE RELEASE**

**WEDNESDAY, 4/6/22**

**CONTACT:** Lisa Truax, Vice President of Home & Community Based Services, 315.235.2816

**COMMUNITY WELLNESS PARTNERS ANNOUNCE ITS PERMANENT SUPPORTIVE  
INDEPENDENT HOUSING INITIATIVE**

Community Wellness Partners (CWP) has announced the expansion of its services to include Permanent Supportive Independent Housing for qualified older adults. Located on the Presbyterian Homes & Services campus, Supportive Independent Housing at The Meadows allows eligible individuals the opportunity to create a pathway to health and wellness through evidence-based interventions and lifestyle modifications.

In order to qualify for one of the 51 units, an individual must be:

- At risk for homelessness, homeless or inappropriately housed;
- 55 years of age or older;
- Medicaid eligible or a current Medicaid recipient ;
- Capable of living independently with assistance in order to remain stably housed.

Supportive Independent Living provides residents with care navigators who serve as advocates, helping individuals achieve optimum health and wellness; a wellness coach who assists residents with developing personalized wellness plans; and, reliable transportation to medical appointments and off-site outings. Amenities in the fully-furnished units include 24-hour emergency maintenance, on-site management and laundry suites on each floor.

Combining over 150 years of service to our region, Community Wellness Partners is an affiliation of LutheranCare® and Presbyterian Homes & Services. Our faith-based, non-profit organizations offer the most complete continuity of health and wellness services for older adults in Oneida County including Home Care, Supportive Housing, Independent & Assisted Living, Memory Care, Skilled Nursing and more.
