**Grand Opening of the Movie Theater Room at The
Brookmeade Community: A dedication in memory of Anne
Hauser**

The Terraces at Brookmeade is hosted a ribbon-cutting ceremony on **Wednesday, February 22nd from 2:30-3:30** for the grand opening of the Movie Theater Room, which has the ambiance and amenities of a movie theater and all the great classics enjoyed by our residents. The Movie Theater Room is in dedication to the memory of Anne Hauser whom passed away in January. Susan Kenny, Director of Assisted Living, Karen Zobel, CEO & Administrator, of Brookmeade, and surviving daughter Anne Ferrara shared memories and words of Anne Hauser.

Anne Hauser, loved socializing with everyone and sharing a great movie with her friends. The Movie Theater Room will house her favorite movies and display framed movie posters of her favorite actors and actresses.

Light refreshments and lunch will be served and the ribbon-cutting ceremony was led by The Rhinebeck Chamber of Commerce's Executive Director Claudia Cooley.

Anne Hauser, resident of assisted living facility The Terraces, passed away at the Baptist Home on January 15, 2017 just three days after her 96th birthday at The Terraces. Anne Hauser made many friends at The Terraces and attended the Catholic Services every Wednesday in the Chapel at the Baptist Home. Anne enjoyed the Bingo nights and going to the beauty parlor every Thursday morning at The Terraces. Anne favorite hobbies were reading and watching movies. Her favorite actor was James Cagney and her favorite movie was Yankee Doodle & Ragtime. You can always count on Anne to make a great recommendation on which movies to watch.

Anne is survived by her children Anne Ferrara, William Moehle, daughter-in-law Beverly Moehle, four grandchildren, five great grandchildren, and step-daughters Margie, MaryAnn, and Anna May.
