ArchCare at San Vicente de Paúl Nursing Home & Rehabilitation Center in The Bronx Earns Recognition on Newsweek's "Best Nursing Homes 2024" List

Comprehensive Senior Care Facility Recognized for Excellence for Fourth Year in A Row

NEW YORK, NY, January 24, 2024 — [ArchCare](#) at [San Vicente de Paúl Nursing Home & Rehabilitation Center](#), part of the Continuum of Care Community of the Archdioceses of New York, is pleased to announce its inclusion on [Newsweek's](#) "Best Nursing Homes 2024" list for the fourth consecutive year. Ranking #20 amongst New York facilities, San Vicente de Paúl offers short-term rehabilitation for those who need help recovering from a serious injury, illness or surgery as well as long-term care which provides extended support and assistance for seniors who can no longer perform everyday activities on their own. This ranking further illustrates the dedication to the residents, the staff, and the high standards of care ArchCare consistently exhibits.

This prestigious award is presented by Newsweek and Statista Inc., the world-leading statistics portal and industry ranking provider. Newsweek's "Best Nursing Homes 2024" ranking lists the nation's leading nursing homes in the 25 states with the highest number of facilities according to the Centers for Medicare & Medicaid Services (CMS). The rankings are a result of a comprehensive evaluation based on five data sources. These include nursing home performance, accreditations from the Joint Commission and Commission on Accreditation of Rehabilitation Facilities, resident satisfaction data, medical professionals' surveys, and the facility's response and protocols during the COVID-19 pandemic. San Vicente de Paúl's commitment to excellence places it among the nation's top-tier facilities.

ArchCare at San Vicente de Paúl stands as a holistic institution for seniors, offering a comprehensive range of services designed to create a supportive environment that reflects ArchCare's Continuum of Care. The facility's Assisted Living Program is tailored for individuals with disabilities who seek to maintain their independence while requiring additional assistance with daily activities. Eligible residents benefit from services provided through San Vicente de Paúl's Licensed Home Care Service Agency, extending well beyond the offerings of typical enriched living or adult home settings. In addition to the Assisted Living Program, San Vicente de Paúl provides Independent Living services, fostering a self-sufficient and vibrant community for seniors.

Another service offered at San Vicente de Paúl is ArchCare's Program of All-inclusive Care for the Elderly (PACE) center, known as ArchCare Senior Life. This managed long-term care plan is a Medicaid/Medicare program designed specifically for adults 55+ requiring nursing home-level care but who wish to remain at home. ArchCare Senior Life provides a dedicated interdisciplinary

team to coordinate all aspects of care, allowing older adults to comfortably age in place. Participants in the PACE program can visit wellness centers dedicated to their care for medical services, meals, social and recreational activities, and more, ensuring a well-rounded and supportive commitment to their wellbeing. This holistic approach emphasizes San Vicente de Paúl's commitment to providing seamless, personalized care, and supporting seniors at every stage of life.

Shennoy Roberts, Executive Director of San Vicente de Paúl expressed the facility's dedication, stating, "At San Vicente de Paúl, our commitment is to create an environment where seniors receive compassionate, comprehensive, and personalized care. We take pride in offering a range of services that support their unique needs, allowing them to age with dignity and independence. This recognition on Newsweek's "Best Nursing Homes 2024" list reaffirms our ongoing commitment to excellence and the well-being of our residents."

About ArchCare
