Fox Run at Orchard Park Announces Health Center New Position

Alexandra Kluth, LPN, named Assisted Living / Memory Care Nursing Manager

ORCHARD PARK, NEW YORK: CEO Bill Wlodarczyk has announced that Alexandra “Allie” Kluth has been tapped as Nursing Manager for Assisted Living and Memory Care. For the past decade, Kluth has proven her dedication to the health center culture and most importantly, her genuine care and concern for our Community Members. Kluth started her Fox Run at Orchard Park career as an LPN for Mc/AL. In 2019, she started making rounds with the health care provider and was responsible for maintaining resident audit charts. Prior to her promotion, it was Kluth and her supervisor who effectively came up with the idea to reorganize their department’s administrative profile. Knowing positive effects would ensue, Kluth’s supervisor presented this shift to senior management, acknowledging Kluth as the frontrunner candidate.

An organized & dependable leader, Ms. Kluth currently supervises the AL/MC personal care aids, administering medications for residents, and handling chart audits. She is a creative, patient and encouraging leader. Naturally gentle and calm, yet highly innovative and detail oriented, Kluth is educating nurses on new software designed for more streamlined resident care communication. Her natural ability to oversee, coordinate and strengthen employee education is a feather in her well deserving cap.

Prior to Fox Run, Kluth obtained her LPN license in 2011 and has worked in multiple venues honing her skills including Rite Aid Pharmacy and Garden Gate Health Care Facility. Kluth mentions her husband’s support at home, which allows her to settle into her new management position. Appearing somewhat shy until ready to open up, Kluth’s upfront about her passion for working in Assisted Living and Memory Care; to her, comfort, consistency and safety are the most important aspects of her day that she can offer Fox Run Community Members. Kluth’s ability to listen, problem solve and her attention to detail makes her the perfect person for this vital role.

From Derby originally, Kluth enjoys spending time with her husband Christian, her two young daughters, and their three cats. Previously, Kluth attended St. John Fisher College for two years majoring in creative writing. She smiles as she mentions that she’s written several short stories and has worked on campaigns for a local town council candidate. She is currently learning sign language, loves playing dress up with her daughters, and have game nights with her husband.
