Amsterdam Continuing Care Health System Taps Pamela Landman as General Counsel

Landman To Oversee Legal Affairs at One of New York City's Oldest Healthcare Systems

New York, N.Y.– March 5, 2019 Amsterdam Continuing Care Health System is pleased to announce the appointment of Pamela Landman as General Counsel.

Landman will provide legal counsel to all of Amsterdam's affiliates, including Amsterdam Nursing Home and The Amsterdam at Harborside starting April 1.

"We are thrilled to have someone of Pam's caliber join our senior leadership team. Pam brings a deep well of experience in the healthcare arena and a palpable passion for Amsterdam's future success," said James Davis, President and CEO of Amsterdam's healthcare system.

Landman has provided legal services to the healthcare provider for over two decades, first in her role as a member of the Health Care/Not-for-Profit Group at the law firm of Cadwalader, Wickersham & Taft LLP and most recently, as senior counsel at Crowell & Moring, LLP. Over the past two decades, Landman has represented charitable, educational, health care and religious organizations on a wide variety of corporate and regulatory issues and has considerable experience counseling life plan communities in connection with the development and ongoing operation of facilities.

Landman graduated with high distinction from the University of Michigan (Honors Program) and received her law degree from the University of Pennsylvania Law School. *Nightingale's Healthcare News* named Pam to its 2007 list of "Outstanding Young Healthcare Lawyers." She was also named to the 2014 New York Metro edition of *Super Lawyers*.

"We think the world of Pam's work and know that she will be a tremendous asset to Amsterdam," said Paul W. Mourning, a partner in Crowell & Moring's New York office who has worked with Landman for the past 25 years. "While we hate to lose her on our team, we are gratified that we will continue working with Pam as a client. Amsterdam will be extremely well-served with a lawyer of Pam's quality, in-depth experience, and integrity as its General Counsel."

About Amsterdam:

Serving New Yorkers for over nearly 150 years, Amsterdam Continuing Care Health System includes Amsterdam Nursing Home in New York City, a 409 bed nursing home offering short and long term rehabilitation and adult day health care in a technologically advanced facility that retains a home-like setting. Amsterdam Nursing Home was named a Best Nursing Home by U.S. News & World Report for 2018-2019, for the seventh consecutive year. The Amsterdam at Harborside in Port Washington, N.Y., one of only 12 continuing care retirement communities in New York, offers the continuum of long term care services as residents' health and social needs change over time consisting of independent living, assisted living and skilled nursing, including short and long term rehabilitation, memory support and hospice.
