Easing The Path To Medicaid Coverage: Major Changes To Medicaid Eligibility Requirements

Cona Elder Law PLLC

READ MORE

All too often, the process of applying for Institutional Medicaid benefits is an overwhelming undertaking for families and facilities alike. Under longstanding regulations, even where all financial and personal documentation required is provided, the application could still be denied if the resident did not apply for a wide range of other available government and private benefits. Although these requirements were designed to ensure that Medicaid was the payor of last resort, in practical terms, they often functioned as procedural hurdles limiting access to coverage. Fortunately, recent regulatory changes have put that onerous precondition to bed...

The CCS/DIRECTV Community Channel

Value 1st

The CSS/DIRECTV Community Channel is a built-in feature that allows senior living & skilled communities to share important updates, daily schedules, event announcements, and fun in-house content directly on residents' TVs.

Because it is part of the existing DIRECTV system, not a separate platform, staff can easily update messages and create a more engaging environment without extra tools or complicated steps.
