Fox Run at Orchard Park Announces Promotion for Program Coordinator

Dolly Goodman-Miskell Promoted to Program Coordinator

ORCHARD PARK, NEW YORK: CEO Bill Wlodarczyk is pleased to announce the promotion of Dolly Goodman-Miskell to the Fox Run at Orchard Park Program Coordinator for Assisted Living and Memory Care. With an extensive career at Fox Run, Dolly has been an invaluable member of the Fox Run family since 2012. Dolly is a true testament to the benefits of hard work; her work ethic rivals the Fox Run mission statement to a T.

Dolly's Fox Run career started as a server in the Independent Living Dining Room where Community Members instantly took a liking to her. As a server she showed respect and built caring relationships. After getting her professional feet wet, Dolly joined the receptionist staff where she took on more responsibility. As she matured, it was evident that compassion and integrity were a natural part of her personality. Once again jumping at an opportunity, she was promoted to the Activities Department, providing one-to-one attention to residents in Skilled Nursing, a position that requires dignity for a positive aging experience. 2018 saw Dolly in another new role as Case Manager for Assisted Living and Memory Care. Not only has she shown her commitment to Fox Run, but it is her own set of values that gets her noticed professionally. As Program Coordinator, she will continue to maintain her Case Manager responsibilities.

No matter what department Dolly has worked in, it is evident that she thrives on interacting and connecting with Fox Run Community Members. Graduating from the University at Buffalo in 2015 with a bachelor's degree in health and human services, and a minor in Anthropology, Dolly has always wanted to help people, how lucky for Fox Run! When asked by her peers, three words used to describe her are patient, kind, and empathetic.

Fox Run at Orchard Park has always been more like family to Dolly. Her best friend's mother has worked in the Accounting Department for 16 years, introducing Dolly to Fox Run when she was in high school. Her vibrant personality and enthusiasm didn't just catch the eye of senior management, Dolly met her future husband who also was a Fox Run employee.

Dolly enjoys spending time with family, friends, and the theater. Previously, she choreographed musicals for the West Seneca Youth Theatre. She has also put on her own dancing shoes and performed in several musicals herself, unfortunately never "Hello Dolly".

Fox Run at Orchard Park is the premier Continuing Care Retirement Community in the Southtowns. Independent Living Community Members at Fox Run, should they need it, have guaranteed access to on-site assisted living, memory care, and skilled nursing. Fox Run is also home to a multiplex Health Center providing ample space for a state-of-the-art in-patient rehabilitation center for our extensive therapy programs. All

facilities, amenities, apartments, and patio homes are located on a picturesque, well-maintained 54-acre campus in the heart of Orchard Park.
