**The Manor at Seneca Hill Graduates Three Certified Nursing Assistants**

**(Oswego, NY – October 18, 2022)** The Manor at Seneca Hill makes starting a career in healthcare easy with on-the-job training and a paid certification program.

Employees of the skilled nursing facility can take advantage of a six-week program right at The Manor, to advance their careers as a Certified Nursing Assistants (CNA). The program consists of 240 hours of clinical, class, and lab training. Participants not only have to pass a written test but also a clinical skills test at that state level. The average cost of certification is \$2,000 and The Manor provides this at no cost for anyone interested in beginning their career in healthcare.

Three new employees took advantage of the paid training and recently graduated from the program including, Dawna Yembrick, Karey Bauer, and Kallie Atkinson.

The Manor is still recruiting CNAs as they begin to plan for their next six-week paid training program. To learn more or to register for the course, call [315-349-5300](tel:315-349-5300) or visit [www.oswegohealth.org/cna](http://www.oswegohealth.org/cna). Upon completion, employees are eligible for full-time employment and a \$3,500 sign-on bonus.

**About Oswego Health:**

The mission of Oswego Health is to provide accessible, quality care and improve the health of residents throughout Oswego County. As a nonprofit healthcare system that was established in 1881, Oswego Health is proud to continue to be one of Oswego County's largest employers. More than 1,200 employees spread throughout its 17 locations, work for the Oswego Health system, which includes the 164-bed community Oswego Hospital, Oswego Hospital, a 28-bed psychiatric acute-care facility with multiple outpatient behavioral health service locations, The Manor at Seneca Hill, a 120-bed skilled nursing facility, and Springside at Seneca Hill, an independent retirement community. The health system also operates Oswego Health Home Care, the only hospital-based certified home healthcare agency in the County as well as two outpatient centers, including the Fulton Medical Center, offering urgent care, lab, medical imaging, physical therapy, and occupational health services; and the Central Square Medical Center, offering urgent care, lab, medical imaging, and physical therapy services. In addition, Oswego Health includes the Oswego Health captive professional corporation, Physician Care P.C., providing physician services in orthopedics, cardiology, ENT, gastroenterology, breast care, audiology, general surgery, bariatrics, and primary care. For more information about Oswego Health, please visit our website at [www.oswegohealth.org](http://www.oswegohealth.org).
