

RiverSpring HealthTM

On June 22, RiverSpring Health's softball team "Played to Remember" during a first-of-its-kind overnight softball tournament. In partnership with CaringKind, RiverSpring Health raised awareness of the

24/7 demands on Alzheimer's caregivers by playing throughout the night.

With eight teams, 72 players and over 100 spectators, this softball game was one for the record books!

Please enjoy these photos, and remember the caregivers in your life!
