The Parker Jewish Institute Foundation Hosts The Annual Peter Seideman Golf Classic

New Hyde Park, New York, Friday, July 31, 2026 – The Parker Jewish Institute Foundation hosted its annual Peter Seideman Golf Classic, on Monday, July 27, 2026. Held at Fresh Meadow Country Club in Lake Success, the event raised vital funds to support programs and services at the Parker Jewish Institute for Health Care and Rehabilitation. The funds help provide world-class, compassionate health care to thousands of adults who turn to Parker each year.

Named in honor of the late Peter Seideman, Parker's former Chairman of the Board, the event celebrated his lasting contributions to the organization and the community. His wife, Barbara Seideman, and grandson, Mory Ashenberg, continue to honor his vision by championing the event and bringing together sponsors and donors to support Parker's programs and services.

This year's honoree was Old Republic Commercial Risk, a leading provider of risk management solutions and insurance services. The event was supported by Tournament Sponsor LI Script and Supporting Sponsors EmPRO Insurance and Rampart Insurance Services / The Hilb Group, LLC.

"The Parker Jewish Institute provides high-quality, personalized and compassionate care to patients and residents both on our campus and throughout the region. Each year, we proudly serve thousands of older adults and touch the lives of thousands of individuals and their families. Through our comprehensive network of programs and services, including community-based initiatives and innovative care models, Parker continues to advance its mission of providing exceptional care. The generous support of our donors makes it possible for us to deliver this care with dedication and excellence every day," said Michael N. Rosenblut, President and CEO of the Parker Jewish Institute for Health Care and Rehabilitation.

About The Parker Jewish Institute for Health Care and Rehabilitation

The Parker Jewish Institute for Health Care and Rehabilitation is headquartered in New Hyde Park, New York. The facility is a leading provider of Short-Term Rehabilitation and Long-Term Care. At the forefront of innovation in patient-centered health care and technology, the Institute is a leader in teaching and geriatric research. The Parker Jewish Institute features its own medical team, and is nationally renowned as a skilled nursing facility, as well as a provider of community-based health care, encompassing Home Health Care, Medical House Calls, Palliative Care and Hospice. The Parker Jewish Institute is also home to Queens-Long Island Renal Institute (QLIRI) - providing patients with safe, comfortable Hemodialysis treatments in a relaxed setting – as well as PRINE Health – a Vascular Center offering advanced vascular services. The Center and QLIRI further Parker’s ability to expand access to essential health-care services to adults in the greater New York metropolitan area. For more information, please visit parkerinstitute.org or call 877-727-5373.
