Rye, NY, November 29, 2021 – The Osborn Pavilion in Rye has been recognized as a “Best Nursing Home” for 2021-22 by *U.S. News & World Report* and it is one of only two skilled nursing facilities in Westchester County to achieve the prestigious designation this year. For the past several years, The Osborn Pavilion has been rated as one of the top nursing homes in Westchester County.

The “Best Nursing Home” status is attained by achieving the top rating of “High Performing” for both Short-Term Rehabilitation and Long-Term Care. *U.S. News* gives the premier designation of “Best Nursing Home” only to those organizations that meet or exceed its assessment of key services and consistent performance in quality measures.

According to Matthew G. This designation reflects our staff’s outstanding dedication to delivering the highest quality services to our residents in skilled nursing, as well as throughout our entire continuum of care on campus and home care services off campus.”
