About Valley Health Services

Valley Health Services (VHS), is a privately owned, not-for-profit organization located in Herkimer, New York. A 160-bed long-term care and rehabilitation facility, VHS is a major health care provider and vital community asset. VHS provides care to a largely rural population. Learn more at <http://www.valleyhealthservices.org/>.

About Bassett Healthcare Network

Bassett Healthcare Network is an integrated health system that provides care and services to people living in a 5,600 square mile region in Upstate New York. The organization includes six corporately affiliated hospitals, over two dozen community-based health centers, 20 school-based health centers, two skilled nursing facilities, including Valley Health Services in Herkimer, and other health partners in related fields. Bassett Medical Center, the foundation of the network, is a 180-bed acute care inpatient teaching hospital located in Cooperstown, NY. To learn more about services available throughout the Bassett Healthcare Network, visit www.bassett.org. Follow Bassett on Facebook and Twitter at facebook.com/Bassett.Network and twitter.com/BassettNetwork.
