ST. JOHNLAND NURSING DIRECTOR

Kings Park, NY – July 15, 2016 – St. Johnland Nursing Center is pleased to announce the appointment of Kay Jung, R.N., B.S.N., as Director of Nursing. She is responsible for the supervision of the nursing staff of 300 in the 250-bed facility in Kings Park. A resident of Dix Hills, Ms. Jung has thirty years of nursing experience and most recently served as Director of Nursing Services at Water's Edge at Port Jefferson for Rehab & Nursing; previously she was the Director of Nursing at Island Nursing and Rehab Center.

St. Johnland provides skilled nursing care with specialties in head injury rehabilitation and Alzheimer's/dementia care and subacute care. They also provide home health care and adult day care. For further information, please call (631) 269-5800.
