SPONSOR PACKAGES

LeadingAge[®]
New York

Your access to an engaged, invested audience.

2018

LeadingAge® New York is a highly respected trade association representing the full continuum of non-profit providers of long term care, services and housing for seniors and others with special needs. Serving as a voice for the members within the State of New York, the association delivers vital information, technical assistance, data analysis and education to members and the larger field. It also brings people together to foster creativity and innovation.

Partnering with LeadingAge New York is the best tool for positioning your brand within the long term care sector in New York! Knowledgeable staff at LeadingAge New York will work with your company to assess your products and services as well as marketing goals, and then suggest platforms within association offerings that will help maximize your return on investment, position your organization as a content expert and promote your brand.

Whether at our key industry events or in news publications, your brand is represented. Talk to us about sponsorship opportunities that get you in front of your target audience.

“Sodexo has realized many benefits from its long relationship with LeadingAge New York and its members. As a 20+ year premier sponsor with a significant New York client base, we have enjoyed numerous speaking opportunities to share best practices and industry insights; and member communities benefit from access to Sodexo White Papers and case studies.”

— Daniel P. Lucey, business development executive
