St. Johnland Residents Celebrate Wedding Anniversary!
Couple Marks 74 Years of Marital Bliss

Kings Park, New York – July 10, 2022 – [St. Johnland](#) was pleased to celebrate the 74th wedding anniversary of residents, Eugene & Ida Castelli. Married on July 10, 1948 the Castelli's lived in Melville for 63 years. Now residing at St. Johnland, the couple was celebrated with balloons and flowers and spent their anniversary visiting with family.

About St. Johnland Nursing Center

St. Johnland Nursing Center, Inc., is a community-based, not-for-profit organization serving the elderly, traumatic brain injured and individuals with medical and rehabilitation needs. The Center's mission is to create a caring and supportive environment committed to the highest standards of quality health care. It seeks to uphold the principles of human dignity and worth, and affirms the right of every individual to maintain the optimum quality of life.

St. Johnland has been caring for the elderly and infirm since 1866, providing services for the less fortunate in the community. Since the 1970's, it has provided the highest quality nursing care with specialties in Alzheimer's/dementia care, Head Injury Rehabilitation, Subacute Care for Short-Term Rehabilitation and Adult Day Health Care.
