## **The Wesley Community names three new Directors**

**SARATOGA SPRINGS, N.Y., July 12, 2022** – The Wesley Community today announced the appointment of three new directors to its leadership team, effective immediately. Patricia Beattie was named as Director of Education, Stephen Miller was named as Director of Information Technology, and Timothy Carota was named as Director of Maintenance and Building Safety.

“We are pleased to appoint these three outstanding candidates to their respective leadership roles here at The Wesley Community,” said J. Brian Nealon, CEO of The Wesley Community. “Their combined experience, work ethic and exemplary commitment to our residents will allow us to enhance and expand our services while positioning us well for the future of senior health care. I am confident our residents and their families will applaud these leaders and all they have to offer to the community we share.”

Beattie has worked in a variety of nursing capacities for Wesley since 2003. In her new role, she will manage the education department and its’ staff, including conducting routine Certified Nursing Assistant Training classes, in-service educational training, orientation and clinical competency programs in accordance with federal, state and local standards regulations. Additionally, she will work closely with all departments to ensure all education-related regulatory requirements are met.

Miller, as Director of Information Technology, will be responsible for all aspects of The Wesley Community’s technology and business functions, including IT Strategy and Implementation, Information Security, Business Applications and Technology Solutions. Miller brings 24 years of Information Technology experience to the position. In his new role, Miller will work closely with decision makers in other departments to identify, recommend, develop, implement and support cost-effective technology solutions for all aspects of the organization. He will additionally be charged with ensuring that The Wesley Community is implementing the newest and most sophisticated IT strategies.

Carota brings a comprehensive background to his position as Director of Maintenance and Building Safety. He is no stranger to The Wesley Community, having worked as Maintenance and Grounds Supervisor at the senior living campus from 2013 to 2016. Since that time, he has worked as Director of Maintenance and Director of Plant Operations for other senior facilities in the Capital Region. In his new role with Wesley, he will plan, organize, develop and direct the overall operation of the Maintenance/Building Safety Department in accordance with federal, state and local standards, guidelines and regulations governing campus facilities
