Nascentia Welcomes Amanda Frederick as VP, Health Plan Operations

Syracuse, NY, 8/03/21 – Nascentia Health welcomes its new VP of health plan operations, Amanda Frederick. She is involved in overseeing Nascentia’s managed long term care plan (MLTC) and Medicare Advantage Plans. She works as a liaison to internal and external stakeholders and senior leadership to facilitate continued compliance and business quality. Amanda previously worked for Fidelis-Centene as the director of long-term services and supports where she supported business operations and oversight of program audit, analytics, project management, authorizations, and care coordination (non-clinical). Amanda received her MBA with a specialization in healthcare management from Walden University and a BS in health sciences with a minor in psychology from Russell Sage College. She also has her Healthcare Leadership Advancement certificate from Cornell-HANYS.
