Cherry Ridge Residents give back on anniversary of September 11th

Webster, NY: Approximately 30 residents at Cherry Ridge—will gather together on Thursday, September 11, 2014 to complete a service project for our local police and fireman in honor of September 11th National Day of Service and Remembrance. Residents will gather in the Betty Mullin-DiProsa Community Room (900 Cherry Ridge Boulevard, Webster) at 11:00 am to decorate homemade cookies and write personal thank you cards to our local service men and woman. Our residents and staff hope to honor and thank those who serve and protect our community through this interactive community wide project funded by St. Ann's Person Centered Care Fund.

According to serve.gov, "*On the anniversary of the September 11th attacks, America will unite in service in the same remarkable way that so many came together following the attacks. This effort first established the inspiring tradition of engaging in charitable service on 9/11 as an annual and forward-looking tribute to the 9/11 victims, survivors, and those who rose up in service in response to the attacks.*"
