CLARENCE, N.Y. - Newsweek and research firm Statista recently teamed up to compile a list of the top Nursing Homes throughout the country. The Brothers of Mercy Nursing & Rehabilitation Center, which is Western New York's largest 5-star facility, ranked 14<sup>th</sup> amongst the over 620 skilled nursing and rehab facilities in New York State.

"America's Best Nursing Homes 2021 highlights the nation's top nursing homes (compared to others in the same state) based on performance data, peer recommendations and the facility's handling of the COVID-19 threat. In building these rankings, Statista and Newsweek took extensive, multiple measures to address the impact of the outbreak. The objective: to recognize the facilities which have put in place the best possible responses and protocols.
