

## **Parker Jewish Institute ranked a Newsweek 2021 Best Nursing Home in New York**

**New Hyde Park, New York, October 19, 2020** - Parker Jewish Institute for Health Care and Rehabilitation was ranked in Newsweek's 2021 Best Nursing Homes in New York.

The rankings are based on performance data, peer recommendations and the facility's handling of the COVID-19 threat.

Of 10,467 nursing homes across 20 states in the United States, Newsweek and Statista, a global research firm, identified the top 400. In New York, 70 nursing homes were recognized, with Parker Jewish Institute ranked 29th.

Newsweek began its Best Nursing Homes rankings in 2020, making this the second consecutive year that Parker was recognized in this analysis.

"This year's rankings highlights the dedication of Parker Jewish Institute's talented health care workers and staff," said Michael N. Rosenblut, Parker's President and CEO. "The challenges amid the COVID-19 pandemic were unprecedented, but Parker stands committed to keep our community – our residents, team members and their families – safe. As always, we honor our mission to provide, with compassion and dedication, superior quality health care and rehabilitation for adults."
