

Masonic Care Community Honored As Best of the Best

For Immediate Release

The Masonic Care Community received 4 Best of the Best nominations in the recent reader's poll by the Utica Observer Dispatch. Both Skilled Nursing and our Wiley Hall Residence were given first place honors, with our Acacia Home Care and Child Care Center noted as runners up in their respective categories. More than 275,000 votes were tabulated in this annual event sponsored by the Utica Observer Dispatch.

MCC Executive Director Rob Raffle noted, "What was exceptionally gratifying is that these nominations were totally organic, our staff did not solicit nominations from the community. It certainly shows that we are making an impact on health care in Central New York. "
