SUBJECT: Revised ALR Medical Evaluation
DOH-3122

Dear Administrator:

The purpose of this letter is to inform you that the Assisted Living Residence (ALR) Medical Evaluation DOH-3122 was revised to clarify, condense and eliminate duplication of documentation while maintaining all required information for admission to and continued stay in an assisted living residence. The form replaces the ALR Medical Evaluation DOH-3122 (03/09) which was viewed as being too cumbersome by providers of care to assisted living residents.

If you have any questions regarding the revised form, please contact the Adult Care Facility Policy and Surveillance staff at (518) 408-1133 for further clarification.

Sincerely,

Mary E. Hart
Director
Adult Care Facility Policy & Surveillance
