RIVER'S EDGE IS MAKING A SPLASH IN NEW YORK!

Plans are underway for River's Edge,
New York City's first and only Life Plan Community.

This magnificent salt water indoor pool and spa,
designed by Rottet Studios, is just one of the
amenities that awaits our future residents!

With two apartment lines already sold out,
River's Edge appeals to older New Yorkers as it
provides financial security, peace of mind and an
engaged, thoughtful community located along
the Hudson River in historic Riverdale.
