Fox Run's Summer Concert Series Hits a High Note with Record Attendance

An outstanding evening of music and community raises more than \$1,900 for animals in need.

ORCHARD PARK, NEW YORK: Fox Run at Orchard Park's 18th annual Summer Concert Series continues to bring the community together for great music, delicious food, and meaningful causes. The August 12 concert, headlined by local band Nerds Gone Wild, drew a record number of attendees and helped raise more than \$1,900 for the City of Buffalo Animal Shelter.

Morrison Living generously donated all of the fixings for a grilled hot dog dinner, with 100% of the proceeds benefiting the shelter and its animals. Additional funds were raised through sales of novelty ice cream treats, bringing the evening's total to more than \$1,900.

The City of Buffalo Animal Shelter also brought its dogmobile to the event, giving Community Members, family, friends, and concertgoers the opportunity to meet, interact, and play with some of the shelter's adorable dogs. The furry visitors were a highlight of the evening and helped make the concert an especially memorable community event.

According to Marketing & Sales Director Mary Lou Letina-Land, "The combination of live music, great food, and an opportunity to support animals in need made the concert one of the most successful events in the history of Fox Run's Summer Concert Series."

The 18th annual Summer Concert Series will come to a close this Wednesday, August 26 with a final evening of music and food. Cami and the Fringe will take the stage at 6:30 p.m., with the Cheesy Chick Food Truck arriving at 5:30 p.m. Everyone is welcome to attend and enjoy the final concert of the season. Don't forget your lawn chairs!
