Note: Only upstate applications were under consideration at this meeting. Downstate applications were considered in August. Those applications recommended for approval subject to final action at full Public Health and Health Planning Council of October 11, 2012.

In addition to the above, two ownership changes were forwarded: Archcare to become sole corporate member of Empire State Home Care and VNA of Brooklyn; and Oswego Health becoming sole corporate member of Hospitals Home Health Care and changing name to Oswego Health Home Care. A downstate application (Personal Touch) for which additional information was requested during the August meeting was considered and recommended for approval.
