Friendly Home Once Again Named a *Best Nursing Home* By U.S. News & World Report

Brighton, N.Y. — The Friendly Home is very pleased to announce that it has been named a **“Best Nursing Home 2024”** by **U.S. News & World Report**. Out of over 15,000 nursing homes evaluated around the country, only 3% earned this coveted rating in **BOTH categories: Short-Term Rehabilitation and Long-Term Care**. Ratings are based on a number of quality measures, including staffing levels and medical outcomes, among others.

“The Friendly Home is extremely proud to be ranked so highly among the very best providers in the country, state and county by both U.S. News & World Report and Newsweek in their 2024 ratings,” says Amanda D. Brown, Vice President & Administrator. “Outcomes like these reflect the dedication of our team, who work tirelessly every day to provide excellent and compassionate care to those we are so honored to serve.”

The Friendly Home has placed on the U.S. News & World Report list of Best Nursing Homes every year since 2016. Further, out of over 600 nursing homes in New York, the Friendly Home has been ranked by Newsweek as #1 in Monroe County and #2 in the state on Newsweek’s list of 2023-2024 Best Nursing Homes.
