## Linden Knoll Celebrates 50 Years of Independent Senior Living

*Friendly Senior Living Marks Milestone with Festive 1970s-Themed Anniversary Event*

Rochester, NY — A trusted provider of senior care in the Rochester region, Friendly Senior Living announces the 50th anniversary of Linden Knoll, its independent senior living community located next to the Friendly Home.

Since opening its doors in 1975, Linden Knoll has provided a warm, supportive environment where older adults live independently with comfort and community. Established as a 148-apartment community, Linden Knoll was designed to meet the needs of seniors seeking autonomy with access to optional support services. Today, it remains a vital and vibrant part of the Friendly Senior Living continuum.

“This year marks an outstanding milestone,” said Glen Cooper, President and CEO at Friendly Senior Living. “For 50 years, Linden Knoll has enriched the lives of its residents and their families by fostering meaningful connections and delivering quality, resident-centered living.”

To honor this golden anniversary, Linden Knoll hosted a 70s-themed celebration that reflected the decade of its founding. The event featured: festive food and drinks, a DJ spinning classic tunes, raffles, giveaways and a photo booth. It included short remarks from Friendly Senior Living executives, highlighting the legacy and future of Linden Knoll.

Over the past five decades, Linden Knoll has grown into more than a residence. It’s a true community. Residents enjoy beautifully-landscaped grounds, including a gazebo overlooking a peaceful creek, plus amenities such as a wellness and exercise room, library, convenience store and multiple cozy gathering spaces. The site also includes a Higi Smart Health Station from UR Medicine. This measures key health indicators including blood pressure, pulse and weight, which enables

patients to monitor and track key health measures, catching problems early and improving long-term health.

As Linden Knoll celebrates this milestone, Friendly Senior Living reflects with gratitude on the generations of residents, families, staff and supporters who have helped shape its legacy.

“Fifty years of community, care, and connection is just the beginning,” said Cooper. “We look forward to many more years of enriching lives at Linden Knoll.”

As one resident shared, “It is a joy to live here.”

Linden Knoll is located at 81 Linden Avenue in Rochester. For more information, visit [FriendlySeniorLiving.org/Linden-Knoll/](https://www.FriendlySeniorLiving.org/Linden-Knoll/).
