

Halloween Fun Lights up MCH

Over 300 enjoy Halloween fun, contests, and treats during Spooktacular event.

Rochester, N.Y.— Monroe Community Hospital (MCH) recently hosted its annual **Spooktacular Halloween event**, bringing together residents, families, community members, and staff for an afternoon filled with festive fun and community spirit.

The celebration featured lively entertainment provided by MCH staff, along with Halloween-themed displays, a pumpkin decorating contest, music, face-painting, games, and plenty of candy, treats, and surprises for guests of all ages. Approximately **315 visitors** came through MCH to enjoy the spooky décor, admire creative costumes, and celebrate the season together.

MCH extends heartfelt thanks to its community partners for helping make the event possible, including **Wickham Farms** for donating pumpkins, as well as **Morrison Health, Wegmans, Costco, the MCH Auxiliary, the MCH Foundation**, and nearly a dozen volunteers, including several students from the **Rochester Institute of Technology**, for their generous support.

Their contributions brought the spirit of the season to life and made the day even more memorable for residents and their loved ones. Events like the Spooktacular reflect MCH's ongoing commitment to creating joy-filled experiences that foster connection, laughter, and a true sense of community for everyone who calls the hospital home.
