

## **Edna Tina Wilson Living Center Celebrates Valentine's Day**

Employees at the Edna Tina Wilson Living Center in Rochester, NY gave residents a chance to celebrate Valentine's Day in a special way. The staff organized and held a dinner dance for couples living at the center to enjoy the holiday together.

Residents dined at tables for two decorated with flowers, candles and chocolate. For dinner they were treated to shrimp cocktail, prime rib and strawberry mousse as well as champagne with fresh raspberries. After their meal, they enjoyed some music and dancing.

Rochester Regional Health's Edna Tina Wilson Living Center is a 120-bed skilled nursing facility. The building's innovative neighborhood design promotes more social and interactive living with residents rooms clustered around the activity center and living and dining room areas. This facility is a national model for care for the special needs of those with Alzheimer's disease and other memory impairments.
