

Update on the Personal Care and Home Health Aide Training Programs

Another advisory update – changes have been made to the Home Care Registry time frames. According to DOH the business day reporting requirements have been changes from 5 business days to 10 business days. The advisory clarifies what this means to training programs and what employers are required to do. Please see the attachment below for more specific details.

If you have any questions, please contact PCATP@health.state.ny.us or HCTReg@health.state.ny.us or call (877) 877-1827.
