**The GreenFields Continuing Care Community and DENT Neurologic Institute to host  
community forum on medical cannabis**

The GreenFields will host renowned cannabis advocate, Dr. Laszlo Mechtler, Medical Director at Dent Neurologic Institute, and Chris Jamele, Executive Director at the Parkinson's Foundation, WNY Chapter, for an interactive discussion regarding cannabis in today's medical community.

Mechtler, who oversees the cannabis clinic at Dent, one of the nation's largest neurology practices, will provide a tutorial on the history of medical cannabis and discuss its emerging uses, benefits and perceived limitations in medicine; he will expand on current research and his personal advocacy efforts.

Mechtler will be joined by Chris Jamele, Executive Director at the Parkinson's Foundation, WNY Chapter, who will present on the escalating rise of Parkinson's, a neurodegenerative disease, research, and the growing demand for patient services.

The forum will be held on **Thursday, October 25 at 1:30pm** in the Richard Siebold Auditorium at GreenField Manor, 5953 Broadway, Lancaster, NY 14086.

The event is free and open to the community. Complimentary refreshments will be served. Registration is available by calling 716.684.8400.
