

CMS 7-Day Community Transmission Rate Status Through June 27, 2022

6/28/2022

Note: CMS no longer posts a tabular listing of transmission rate data for all counties other than the state map indicating county color code designations shown at right. Users may still access **individual** county community transmission rate information at the link below.

Current 7-days is Mon Jun 20 2022 - Sun Jun 26 2022 for case rate and Sat Jun 18 2022 - Fri Jun 24 2022 for percent positivity.
