

Friendly Home Welcomes New Volunteer Coordinator; Volunteers Needed for Various Roles

Brighton, N.Y. — Friendly Home is pleased to welcome a new colleague to the team. **Kathy Main has joined the team as volunteer coordinator.** Most recently, she served more than six years as the volunteer services coordinator for Lakeland Medical Center in Florida. She has extensive experience in volunteer recruitment, orientation, volunteer placement, event planning, gift shop management, teen volunteer programs and pet therapy programs. She also has experience in customer service, administrative support, healthcare and human resources.

Friendly Home volunteers enhance the lives of Friendly Home Members in many ways. On any given day, they may help a Member choose a gift for someone special in Friendly Home's new gift shop, accompany a group on an outing, spend one-on-one time with a Member in the Friendly Café, bring in a therapy pet or transport Members to worship services.

Behind the scenes, volunteers lend a helping hand with office and clerical tasks, assist with keeping our grounds neat and tidy, and more.

Currently, there are specific volunteer needs for the Friendly Home:

- Transporting Members to and from various activities
- Friendly companions for one-on-one visits with Members
- Friendly Gift Shop

If you are interested in learning more about these volunteer opportunities at the Friendly Home, contact Kathy Main.
