Fox Run at Orchard Park Announces Promotion of Elizabeth Nelson to Admissions and Marketing Assistant

WNY's premier retirement community promotes Elizabeth Nelson

ORCHARD PARK, NEW YORK: CEO Bill Wlodarczyk is pleased to announce Elizabeth Nelson has been promoted to the position of Admissions and Marketing Assistant for Fox Run at Orchard Park. Nelson will be working with both future Community Members of the independent living community, and health center community with assisted living including memory care and skilled nursing.

Nelson is a recent college graduate from The State University of New York at Fredonia. She earned two bachelor's degrees in theater arts and business administration, with a concentration in marketing along with a minor in communications. In this position Nelson will be working closely with the Marketing Team as well as the Admissions Department.

Nelson started her career at Fox Run at Orchard Park in November of 2021, as a server with the Dining Services Department. "Getting to know the Community Members and the way Fox Run operates made my decision easy to turn what was supposed to be a part-time job until graduation into a full-time career" Nelson stated.

Nelson is originally from Utica, NY and now currently resides in Depew. She is passionate about the arts, theater and anything creative and hopes to bring that to her new position. "It is a window into someone else's life and you can experience so many different emotions in a little period of time."

Fox Run at Orchard Park is the premier Continuing Care Retirement Community in the Southtowns. Independent Living Community Members at Fox Run, should they need it, have guaranteed access to on-site assisted living, memory care, and skilled nursing. Fox Run is also home to a multiplex Health Center providing ample space for a state-of-the-art in-patient rehabilitation center for our extensive therapy programs. All facilities, amenities, apartments, and patio homes are located on a picturesque, well-maintained 54-acre campus in the heart of Orchard Park.
