

# Palliative Care Symposium

May 22  
11:00 am - 3:00 pm  
Albany, NY

You are invited to participate in this symposium on **expanding access to palliative care services and supports for children, adults, older adults, and their caregivers in New York State**. The focus will be on sharing and obtaining feedback on a draft proposal for future policy recommendations to support the sustainability of community-based palliative care services.

PLEASE JOIN US to give your input and feedback on policy recommendations that will affect children, adults, older adults, and caregivers in New York State.
